REFUND REQUEST

SIR:

This is in response to the charge of US \$ 65.00 made on May 30, 2000 in the above recited application under fee code 205 "Surcharge - Late Filing fee or oath or declaration".

There was an Office Action "Notice to File Missing Parts of Non-provisional Application" issued March 10, 2000 stating the oath or declaration was unsigned.

As the Filing Receipt mailed on March 10, 2000 recites "Chemnitz, GERMANY" as the address of inventor Herbert Gropp, it appears that this information was clearly taken from the inventor declaration filed with the application. As a copy of the inventor declaration of the parent application clearly contained the inventors'

signatures, it is not understood why there should have been no signatures on the copies, when the Filing Receipt clearly shows that the inventor declaration copy was received by the United States Patent and Trademark Office.

Applicants responded on April 7, 2000 and informed the Hon. Commissioner of Patents and Trademarks on page 2, that the instant application was a continuation application, that a copy of a fully executed Declaration for Patent Application had been filed with the Continuation Application, and that the "Notice to File Missing Parts of Non-provisional Application" issued March 10, 2000 was erroneously issued, because the copy of a fully executed Declaration for Patent application had been filed with the Continuation Application.

A "Notice of Incomplete Reply" was issued on April 14, 2000 stating that, the late filing fee or oath or declaration was not received. The "Notice of Incomplete Reply" did not consider the contradiction between the official filing receipt indicating that the copy of the inventor declaration of the parent application had been received and the "Notice of Incomplete Reply" indicating that the signatures were missing.

The "Notice of Incomplete Reply" did not consider

this previous contradiction and did not consider the prior submission of the applicant, that the allegation the signatures were missing was an erroneous allegation of the "Notice to File Missing Parts of Non-provisional Application" issued March 10, 2000.

Recognition of the error in the allegation of the "Notice to File Missing Parts of Non-provisional Application" issued March 10, 2000 of missing signatures is respectfully requested.

Refund of the charge of US \$ 65.00 made on May 30, 2000 in the above recited application under fee code 205 "Surcharge - Late Filing fee or oath or declaration" is respectfully requested.

Respectfully submitted,

Herbert Gropp et al.
